**Notice:- Clarification on transition from Paper License (pMOLP) to Electronic License (eMOLP)**

**Dear Sir,**

This is to inform you that starting from 1st April 2013 the license fulfillment model for Microsoft Open License Program will be transitioned from Paper Licensing Model to Electronic Licensing Model.

Under this model the customer would be required to obtain their legal license under the Open Program from the Microsoft Secure VLSC (Volume License Service Center) website as there will not be any paper license shipped under this model.

We thank you for your attention.

Yours faithfully,
